

All patients must read and sign this form prior to receiving services.

UANT, an affiliate of USMD Affiliated Services, recognizes the need for a clear understanding between patient and medical provider regarding protected health information and financial arrangements for healthcare. The following information is provided to avoid any misunderstanding concerning protected health information and payment for professional services.

- **PAYMENT: Payment is expected at the time of service.** If your deductible has not been met, or a percentage is your responsibility, we expect payment when services are rendered. **Even though insurance will be filed, you are responsible for any balance after insurance processes your claim.** All charges for treatment become due and payable sixty (60) days after the date of service. These periods allow sufficient time to process insurance and make payment in full of any remaining balance. There will be a \$25 charge for returned checks. If not paid within 60 days, UANT, an affiliate of USMD Affiliated Services will begin various collection activities including, but not limited by submitting the past due account to a collection agency.
- **SELF PAYMENT (PRIVATE, CASH PAYMENT):** If you have no insurance coverage we ask that you coordinate your care with our business office prior to your surgery. We require an advance payment for professional services.
- **MANAGED CARE: All managed care (HMO, PPO, etc.) co-payment amounts are due at the time of service.** If your insurance plan requires a referral authorization from a primary care physician please present this at your initial visit. If you request an office visit or surgery without a referral authorization your insurance plan may deem this as **“out of network” or “non covered” treatment**, and you will be responsible for a larger amount or all of the charges. By signing below, patient acknowledges that it is the patient responsibility to be aware of what services are covered and agrees to pay for any service deemed to be non covered or not authorized by the plan.
- **MEDICARE:** UANT, an affiliate of USMD Affiliated Services, are participating providers with the Medicare program and accept as payment, the Medicare allowable, patient deductible and/or 20% co-insurance. If you have supplemental insurance (Medigap) to cover the portion of the charges that Medicare does not pay, please provide us with a copy of your insurance card and any forms your insurance company may require. Medicare or secondary carriers do not cover some procedures and supplies. Please make certain you understand which aspects of your treatment are covered before proceeding. In this rare case you may be asked to sign a waiver form, which states that you understand that you will be responsible for these charges.
- **AUTOMOBILE ACCIDENT PATIENTS:** We do treat automobile accident patients. However, we are unable to monitor long-term accounts and require payment as a self-paying patient. We will not accept a letter of protection from an attorney as a guarantee of payment or third party insurance payments.
- **CHILDREN OF DIVORCED PARENTS:** Responsibility for payment for treatment of minor children, whose parents are divorced, rests with the parent who seeks the treatment. Any court ordered responsibility judgment must be determined between the individuals involved, without the inclusion of UANT, an affiliate of USMD Affiliated Services.
- **CLINICAL RESEARCH:** UANT, an affiliate of USMD Affiliated Services, participates in clinical research studies, and UANT physicians are compensated (receive money) by the study sponsors to perform research trials. Patient authorizes UANT to access his/her medical information for the purpose of evaluating eligibility of patient for current or future clinical research studies. Patient agrees to be contacted by UANT regarding the possibility of being enrolled in a research study. Patient is under no obligation to enroll in any study. Study participation is voluntary and refusal to participate will in no way involve penalty or loss of benefits to which the patient is otherwise entitled. Refusal to participate in a research study will not affect your continuing care with a UANT physician. Participation in a research study will not interrupt your regular care with a UANT physician.

- **SECONDARY INSURANCE:** The Texas Department of Insurance requires the patient to provide secondary insurance coverage to the provider if applicable. Patient agrees to provide such information as outlined below. Patient agrees to notify provider in the future immediately of any additions, changes or deletions in primary or secondary insurance coverage. Initial/complete as applicable.
 _____ **I have no secondary insurance coverage.**
 _____ **I have secondary insurance coverage as described on the attached Patient Demographic form.**
- If you have **Medicaid** coverage of any kind, you must notify us prior to your visit. This is part of your agreement with Medicaid, and **failure to notify us** of Medicaid coverage will result in full financial responsibility for services rendered.
- Before receiving services, you must verify that we are participating providers for your insurance company. It is also necessary that our primary care physician is listed as your primary care provider with your insurance company, if required by your contract with your insurance company. In the event we are not participating providers or our physician is not listed as your primary care provider with your insurance company, we will file the initial claim as a courtesy. Payment, however, is due in full at the time of service.
- We will send a statement (to the billing address you provide) notifying you of any balances you may owe. If you have any questions or dispute the validity of this balance, it is your responsibility to contact our business office within 30-days after receipt of the initial statement. You can call **(817) 514-5200** or **1-800-555-1429**.
- In the event you submit payment by check and the bank returns the check unpaid for any reason, we will add \$25 to your original balance. In addition, we may seek all additional legal remedies provided to us under Texas law.
- We may charge you a "No Show" fee if you fail to cancel or reschedule your appointment at least 24 hours prior to your appointment date.
- **Failure to keep your account balance current may require us to cancel or reschedule your appointment.**

UANT, an affiliate of USMD Affiliated Services, firmly believes that a good patient/physician relationship is based upon understanding and open communications. It is our hope that the above policies will allow us to provide the highest quality care to our patients. If you have any questions or need clarification regarding these policies please call us at (817) 784-8268.
